Who We Are

The Gem and Mineral Society of Lynchburg, VA, Inc. (also known by its acronym “GMSL”) is a group of adults and children with interests in rocks, gems, minerals, fossils, and related sciences. We welcome new members who share our love for rocks, whether they are huge specimens to be placed in a yard, or tiny crystals and minerals. Our membership consists of people with highly diversified backgrounds, with and without prior knowledge of how to identify rocks/minerals/gems, how to cut a slab, make a cabochon, or many other rock-related activities.

We are fortunate to have many members (including several geologists) that are happy to share with the membership their knowledge about rocks, gems, and minerals. We offer a monthly workshop at one of our member’s home where you can use our club equipment to make items for yourself, or learn how to cut a slab, make a cabochon, bookends, and so forth. If you love rocks, you should become a member of GMSL.

Check us out by visiting one of our meetings on the third Wednesday of each month (from 7:00 PM - 9:00 PM) in the Community Room 102 of the

The Miller Center, 301 Grove Street, Lynchburg, VA.

Note: This is NOT our mailing address. See top of page for GMSL mailing address
